Pandora & Spikes Story

Pandora & Spikes family lost everything. Their jobs, home, car, everything. Their grandparents sent them bus tickets home but said that the cats could not come with them. The family was sitting at the bus station trying to give away the cats and planned to set them loose if they hadn't found homes by the time the bus arrived. Someone told them to call us and we took them in. If you can give both or either of the great cats a lifetime home please come and meet them.

Feral Feeders Needed

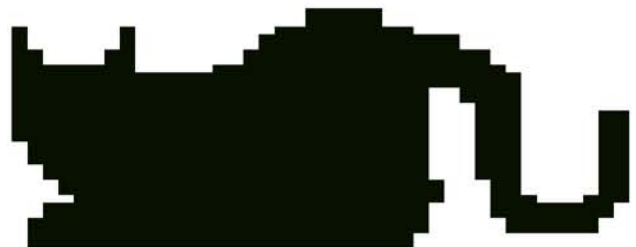

Spring is here and our little feline friends who lived in the wild survived the cold, rain and snow as they hunkered down in their little shelters. They are as happy to see spring as we are. I see them preening themselves in the sun enjoying the warmth. Everyday these feral cats sit and wait for their people to bring them food and attention. They are always hungry and eager for a soft word or a scratch behind the ear.

Our need at this time is a couple of more people to take 40 minutes to an hour once a week to feed at several feeding stations around town. We had some volunteers that had to leave us so we are looking to replace them. Please consider donating your time for this very rewarding experience and if you have the means, to donate the food also. Don't forget that mileage is tax deductible as is the food you donate.

Feral Spay/Neuter

Don't forget our monthly spay neuter clinics for feral cats only! These are done with Saving Grace. Usually held on the 3rd Friday of the month. Must be preregistered.

Romeo

Romeo is a Ragdoll who's person passed away. He is such a love, he earned his name!

Don't forget the Master Gardeners Plant Sale at the fairgrounds on May 7th.

We'll be there!

We will gladly accept any donations of indoor or outdoor plants or gardening supplies that you would like to donate.

Please drop off donations at our thrift store

Thank you!!

Max loves to lay in the window and show off for whoever is on the other side. He is a funny guy.

T2 & Babe Kitty's person has to have a liver transplant and doesn't have anyone to take care of his animals while he is gone. Neithe one likes having their picture taken (hence the slightly grumpy looks) but they are swell kitties who really need homes!

Tanner is such a great guy! Come and meet him and he'll tell his whole story!

Don't forget Fido Funday coming in September. Details next newsletter!
